# ROAD MAP TO VIRGINIA DRIVER'S LICENSE

## 1 15 AND 6 MONTHS LEARNER'S PERMIT TEST

Upon turning 15 and 6 months you can take the two-part learner's permit test at the DMV via a walk-in or appointment.

## 2 PRACTICE

Now that you have your learner's permit, you'll need to drive 45-hours (15 after sunset) with a parent/guardian. Please see your Driver Education teacher for a 45-hour log.

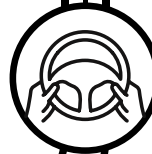

## 3 DRIVER EDUCATION

You will take Driver Education via 10th grade HPE. You AND your parent/guardian will also need to attend a 90-minute parent-teen driver presentation in order to obtain a DEC-1 or DEC-8 card (needed for behind the wheel).

## 4 BEHIND THE WHEEL

After having your permit for 9 months, completing classroom driver education and completing your 45-hours you will register for behind the wheel at your high school (where offered) or through a private company.

## 5 GETTING YOUR LICENSE

Upon completion of Behind the Wheel, the instructor will issue a TDL-180 which in combination with a learner's permit will be your Driver's License until yours is mailed to you. If you don't receive your license within 6 months, please contact your BTW instructor.
