

Dual Enrollment

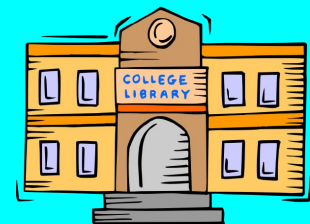

The Peninsula's Community College

What Opportunities Exist to Earn College Credit or Certifications While in High School?

What is In-School Dual Enrollment?

- The opportunity to earn both high school and college credit at no personal cost at each high school campus.
- College classes offered by Hampton City Schools in partnership with Thomas Nelson Community at all four area high schools.
- Qualified high school faculty teach TNCC courses in the high school during the regular school day.

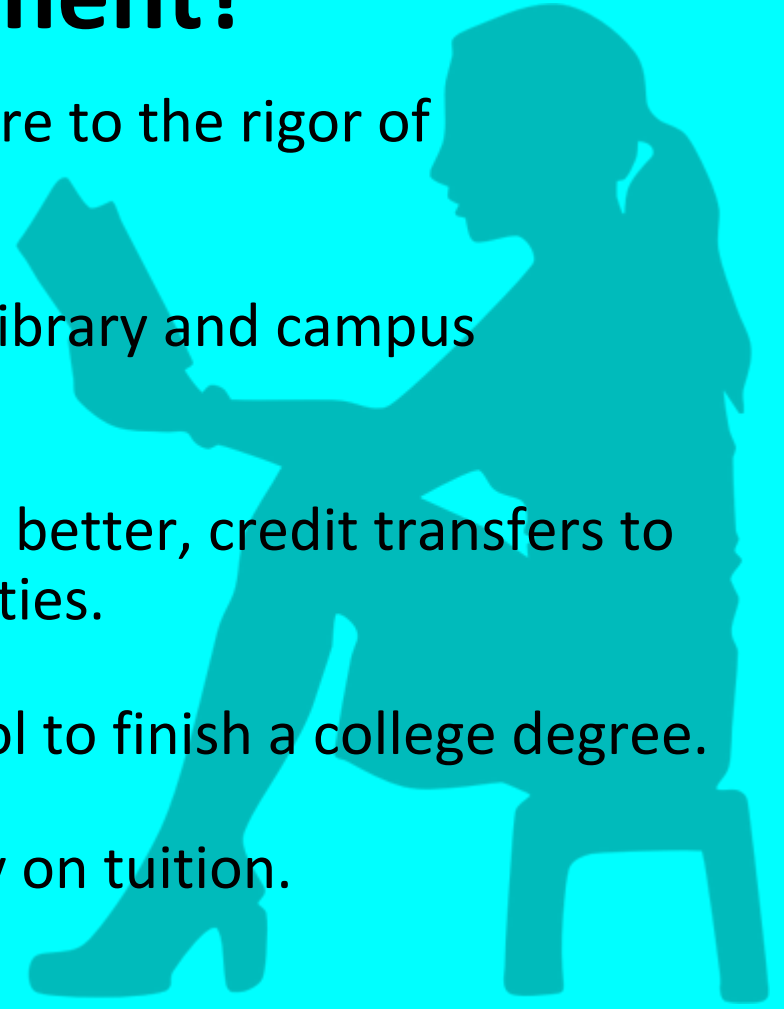

What is the Difference Between Dual Enrollment (DE) and Advanced Placement (AP)?

- To earn college credit for AP, a student must take a national AP exam at the end of the year and score as required by the college or university.
- Dual enrollment credit is based on daily performance and testing conducted in the classroom throughout the semester.
- A student must earn a “C” or higher to transfer college credit.
- Dual enrollment credits create an official college transcript that can be sent to your institution of choice.

What are the Benefits of Dual Enrollment?

- Students receive first-hand exposure to the rigor of college-level work.
- Students enjoy access to all TNCC library and campus resources.
- If a student earns a grade of “C” or better, credit transfers to most Virginia colleges and universities.
- Less time required after high school to finish a college degree.
- Saves students and families money on tuition.

Sample Savings

First Year Courses

English, Math, History

9 Credits (one semester)

CNU	\$622/HR	\$5,598
VT	\$476/HR	\$4,284
ODU	\$360/HR	\$3,240

Early College Scholars Seal

...Another benefit of Dual Enrollment...

To qualify for the Early College Scholars program, a student must:

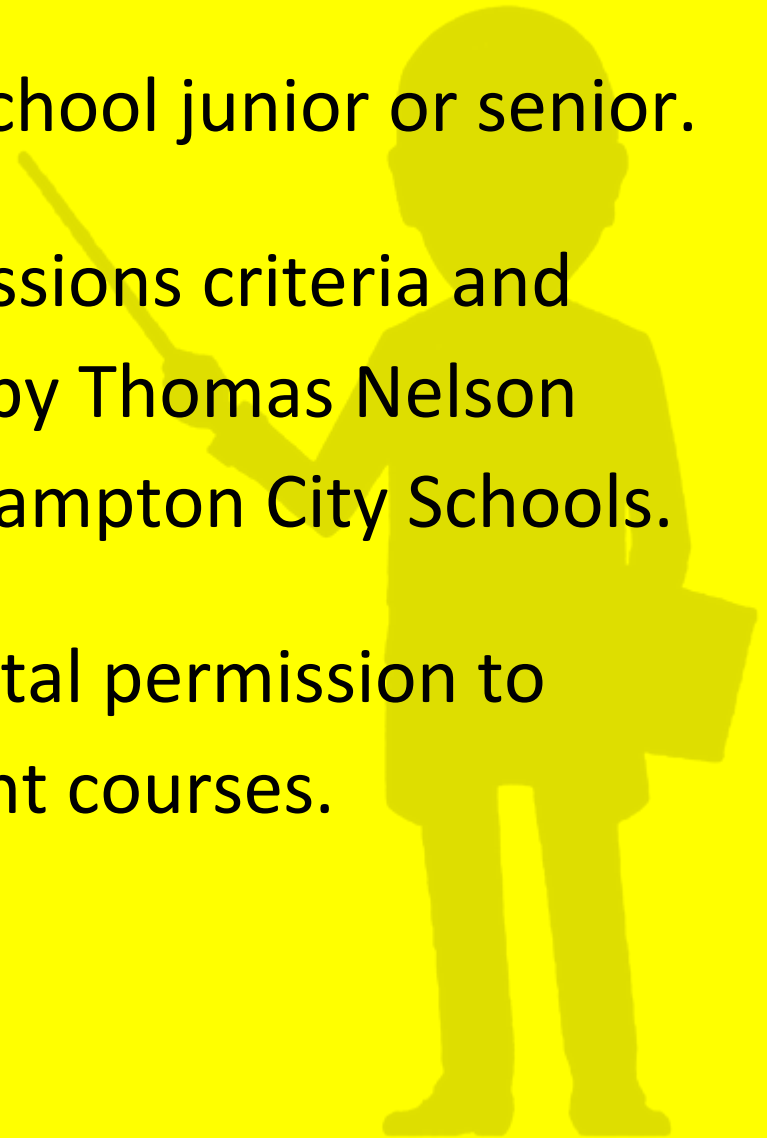

- Have a "B" average or better;
- Be pursuing an Advanced Studies Diploma; and
- Take and complete college-level course work (i.e., Advanced Placement, International Baccalaureate, Cambridge, or dual enrollment) that will earn at least 15 transferable college credits.

	BIO 141/142	Human Anatomy & Physiology	8
	GOL 105/106	Physical & Historical Geology	8
	GOL 111/112	Oceanography I & II	8

**Course offerings and availability will vary per high school*

Parent Testimonial

“Dual enrollment classes gave my children a way to explore topics such as anatomy, oceanography, and geology while earning college credits. The college credits fully transferred to William & Mary and fulfilled many of their liberal arts requirements giving them the option to either graduate college early or pursue double majors/minor easily”

- Mary Bunting, Parent of Kecoughtan High School Graduates

Student Testimonial

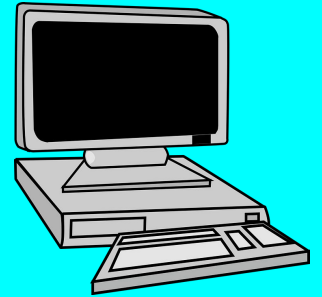

"I was fortunate enough to be able to take DE credits to earn my associates degree. While I could have completed my bachelors in just two more years, I decided to stay at my college for the full 4 years and explore additional paths of study. Most importantly, the classes prepared me for a much more intense collegiate environment."

- Parker Bunting, % 2018, Kecoughtan High School

What is the process for In-School Dual Enrollment?

1. Complete “[Opt-in](#)” request form on school website.
2. Apply to TNCC by visiting www.tncc.edu/apply. A TNCC Student ID number will be required for course registration.
3. Provide SAT,ACT,PSAT and Math SOL scores.
4. Upon approval, sign and complete registration forms.

The College and Career Coach will share approvals with counselors for schedule changes and updates.

Frequently Asked Questions (FAQ's)

- Are textbooks included for Dual Enrollment?
 - Yes. Textbooks and tuition are paid for by HCS.
- Do all of the classes count toward high school graduation?
 - Yes. Please speak with your school counselor to review your academic plan.
- Can I take DE courses regardless of my academy?
 - With the exception of the IB Program, all academies give students an opportunity to take dual enrollment courses.
- How are the Dual Enrollment courses weighted?
 - Courses are weighted the same as AP.
