Voya Unsung Heroes – rewarding excellence in America’s schools

The Voya Unsung Heroes program has helped more than a thousand K-12 educators and their schools fund innovative classroom projects through awards totaling nearly \$5 million. Do you or does someone you know have a creative, unique educational program that is helping students reach new heights? Or is there a program you’d like to implement, if only you had the proper funding? Visit our online application and apply for an award today.

To apply for an award

To ensure impartiality, the program will be managed by Scholarship America. Applications must be completed online by April 30. To receive more detailed information about the award recipients and their winning projects, visit the Voya Unsung Heroes awards program website at: www.unsungheroes.com.

Who’s eligible?

All K-12 education professionals, whether or not they are clients of Voya Financial[®], are eligible. Specifically, these individuals must be:

- Employed by an accredited K-12 public or private school located in the United States
- Full-time educators, teachers, principals, paraprofessionals, or classified staff with effective projects that improve student learning

Awards are granted without regard to race, color, creed, religion, age, gender, disability, or national origin. Previous recipients of Voya Unsung Heroes awards are not eligible to apply for another award.

Awards

All awards must be used to further the projects within the school or school system. Indirect costs or administrative fees should not be paid or withheld from the grant award. Each of the 50 finalists will receive an award of \$2,000. Award checks are made payable jointly to the recipient and to his or her school. Of the 50 finalists, three will be selected for additional financial awards. First place will receive \$25,000; second place will receive \$10,000; and the third place winner will receive \$5,000.

Selection of finalists

Scholarship America will select 50 finalists. The Educators Advisory Board, consisting of teachers and education administrators, will select recipients of the top three awards in the summer. By fall, all applicants will be notified whether or not they have been selected to receive an award.
