

2018-2019 LETTER TO HOUSEHOLDS

Dear Parent/Guardian:

Children need healthy meals to learn. Hampton City Schools provides nutritious school meals every school day.

Student breakfast costs **\$1.00** and lunch costs **\$2.05 Elementary and \$2.25 Secondary**.

Your children may qualify for free meals or reduced price meals. There is no charge for reduced price breakfast and reduced price lunch costs **\$0.40**.

All meals served must meet standards established by the U.S. Department of Agriculture. However, if a student has been determined by a doctor to be disabled and the disability prevents the student from eating the regular school meal, the school will make substitutions prescribed by the doctor. If a substitution is prescribed, there will be no extra charge for the meal. If your student needs substitutions because of a disability, please contact Edwina Forrest, RD, SNS at (757) 727-2350 for further information.

All children in households receiving Supplemental Nutrition Assistance Program (SNAP) benefits or Temporary Assistance for Needy Families (TANF) are eligible for free meals. Foster children who are the legal responsibility of a foster care agency or court are eligible for free meals. Students who are eligible for Medicaid may also be eligible for free or reduced price meals based on the household's income. Children who are members of households participating in WIC may also be eligible for free or reduced-price meals based on the household's income. If your total household income is at or below the Federal Income Eligibility Guidelines, shown on the chart below, your child(ren) may get free meals or reduced price meals. Your child(ren)'s application from last school year is only good for the first few days of this school year.

YOU MUST COMPLETE A NEW HOUSEHOLD APPLICATION FOR EACH SCHOOL YEAR.

Households that are receiving SNAP or TANF for their children as of July 1, 2018 may not have to fill out an application. Food & Nutrition Services will notify you in writing of your child(ren)'s eligibility for free meal benefits. Once notified your child(ren) will receive free meals unless you tell the Food & Nutrition Services you do not want benefits. **If you are not notified by August 20, 2018, you must submit an application.** The application must contain the names of all students in the household, the SNAP or TANF case number, and the signature of an adult household member.

If you do not receive SNAP or TANF benefits for your child(ren) complete an online application online or return the paper application to the school division. If you do not list a SNAP or TANF case number for the child(ren) you are applying for, then the application must have the names of all students, the names of all other household members, the amount of income each person received last month, and how often the income was received. An adult household member **must sign the application and include the last four digits of the social security number. If the person does not have a social security number, check the box provided indicating none. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.**

If you are applying for a foster child, who is the legal responsibility of a foster care agency or court, an application may not be required. Contact Mrs. Debbie Conway at (757) 727-2350 or email hcs-freereducedfaq@hampton.k12.va.us for more information.

If you are applying for a homeless, migrant, or runaway child, an application may not be required. Contact Dr. Bruce Copeland at (757) 727-2440 for more information.

The law allows the school division to share your free or reduced price meal eligibility information with Medicaid and FAMIS. These programs can only use the information to identify children who may be eligible for free or low-cost health insurance, and to enroll them in either Medicaid or FAMIS. These agencies are not allowed to use the information from your free or reduced price meal application for any other purpose. Medicaid officials or officials with FAMIS may contact you to get more information. You are not required to allow us to share this information with Medicaid or the FAMIS program. Your decision will not affect your children's eligibility for free and reduced price meals. If you do not want your information shared, please check the appropriate box in PART 6 of the application. You may qualify for other assistance programs. To find out how to apply for SNAP or other assistance programs, contact the local social services office in your area.

CONFIDENTIALITY AND NOTICE OF DISCLOSURE: School officials use the information on the application to determine if your child is eligible to receive free or reduced price meals and to verify eligibility. As authorized by the National School Lunch Act, the school division may inform officials connected with other child nutrition, health, and education programs of the information on your application to determine benefits for those programs or for funding and/or evaluation purposes.

VERIFICATION: School officials may check your eligibility at any time during the school year. School officials may ask you to send information to prove that your child(ren) should receive free or reduced price meals.

FAIR HEARING: If you do not agree with the decision on your application or the results of verification, you may wish to discuss it with officials in the school nutrition office at the telephone number below.
