

## **SCHOLARSHIP & FINANCIAL AID INFORMATION**

Hampton City Schools offers a variety of resources in order to help students and families prepare for the cost of post secondary education. Forums are held at schools and throughout the region to help families understand grants, scholarships and the various types of financial aid available. Assistance in completing the **FAFSA (Free Application for Federal Student Aid)** is also available at many of these workshops, as well as, through online services.

Scholarship Bulletins are distributed at each high school. We encourage students to see your school counselor for applications and assistance in completing the forms. Many are also available online. Remember scholarships can be offered based on academic merit and/or financial need. Many are offered for a special interest, engineering or nursing for example. Some are offered to members of local credit unions, service clubs such as Kiwanis and fraternity and sorority.

The scholarships listed below are managed by Hampton City Schools. These scholarships, which are funded through local resources, are available only to graduates of our four high schools. Please see your school counselor for criteria and applications.

- **Aaru Ma'at Scholarship**
- **J.S. Darling Memorial Scholarship**
- **Scott Gwaltney Memorial Scholarship** (*HHS only*)
- **Henry J. Kelly & Fred Lutze Scholarship**
- **Christopher David Tromly Memorial Soccer Scholarship** (*KHS only*)

**DO NOT BE AFRAID TO ASK – you might qualify for thousands of dollars.**
