

# 2021 Hampton City Schools Open Enrollment

The 2021 Hampton City Schools open enrollment period starts on Wednesday, August 11 and ends on Friday, August 27.

Employees can make their benefit election changes online through our bswift benefits enrollment system at <https://bswift.hampton.k12.va.us> or meet with an enrollment counselor who can assist them in making their elections through the bswift system. Employees wanting to meet with an enrollment counselor will need to schedule an appointment by going to [www.my-enrollmentschedule.com/hampton](http://www.my-enrollmentschedule.com/hampton) or by calling 1-866-998-2915. See below for the schedule for the enrollment counselors.

To accommodate any employee who is not able to schedule an in-person appointment, this year telephonic appointments with enrollment counselors will also be available. Please note that with telephonic appointments, employees will be able to consult with a counselor, but will need to log their own enrollment changes in the bswift benefits system.

**Make an appointment with an enrollment counselor today by going to [www.myenrollmentschedule.com/hampton](http://www.myenrollmentschedule.com/hampton) or calling toll free to 866-998-2915.**
