	Parents or rising 10 th grade students were originally expected to confirm their child's intent to attend the designated academy and pathway by March 30	No change , parents or rising 10 th grade students must confirm their child will attend the designated academy and pathway by March 30 .

Deciding on the right academy and pathway is a very important decision. The snow days resulted in rescheduling several Academy Nights informational sessions for rising 9th and 10th graders and their families, the *My Future, My Journey Career Exploratory Program*, and the Middle School College and Career Fair. Therefore, we have adjusted the academy choice deadlines accommodate the rescheduling of the various informational programs and to give students and parents additional time to explore the career-themed academies and consider pathway options.
