

Injury or Accident Reporting Procedures - Northeast, ASI, and PSI Employees

Please follow the instructions below if an ESS Northeast, ASI, or PSI employee gets injured while on the job.

Procedure for Reporting Work-Related Injuries or Accidents

Every work-related injury or accident should be reported **IMMEDIATELY** to the ESS Workers' Compensation Claim Administrator.

Located in CT, DE, FL, GA, MA, NH, OH, PA, RI, SC, TN, VA, and VT

1. Please have the individual call Brittany Stanley at **(870) 450-2542** to report the injury or accident.
2. Please have the individual complete the Employee First Report of Injury or Accident Form included in this packet.
3. Send completed form by email to:

Email: **BStanley@ESS.com**

Receipt of the documentation will prompt an immediate investigation by ESS, which not only assists in determining the cause of the injury or accident but may help in the prevention of future injuries or accidents.

Medical Treatment

In the event of a work-related injury or accident, the injured party should obtain immediate first aid (as needed) from the school nurse. The injured employee should be instructed to notify their ESS Worker's Compensation Claim Administrator immediately.

In the event of a medical emergency, call 911. Medical emergencies include but are not limited to: loss of consciousness, chest pain, excessive bleeding, and/or broken bones. If in doubt, the school nurse will determine if paramedics and/or an ambulance is needed. If paramedics and/or an ambulance are needed, please notify the ESS Worker's Compensation Claim Administrator immediately.

Return to Work/Modified Duty

A written doctor's release is required **before an injured employee** can return to work. The release should specifically indicate if any work limitations/restrictions are imposed on the individual as a result of the injury.

ESS and the school district will review the work limitations/restrictions and determine if temporary modified or alternate work is available within the school district. If no limitations are noted, the employee is released to full duty.

Immediately upon injury, please contact your ESS Worker's Compensation Claim Administrator.
