

# NOTICE OF GRADUATION & PROMOTION REQUIREMENTS

In order to graduate from Hampton City Schools students must earn a minimum number of standard and verified credits as specified for each diploma. Promotion or retention in high school is based upon the student's academic achievement as reflected by the number of standard credits earned at the end of each school year as listed in this material.

School counselors will meet with students and parents/guardians annually to review each student's graduation status.

Dear Parent or Guardian:

Hampton City Schools is committed to ensuring all students have the credits required for graduation and that those credits are met in order to graduate four years after entering the 9th grade for the first time.

The Commonwealth of Virginia offers several diploma options. These options and their accompanying requirements are explained in this document. Students in Virginia pursuing an Advanced Studies Diploma or a Standard Diploma must earn a combination of standard and verified credits. Students earn a "standard credit" by successfully completing the requirements for a course. Students earn a "verified credit" by successfully completing the requirements for the course and achieving a passing score on the applicable end-of-course Standards of Learning (SOL) test or a test approved by the Virginia Board of Education. Additional diploma and certificate options are available to students receiving services through special education and those not meeting all requirements for graduation. Credit accommodations allow students with disabilities to earn a Standard Diploma.

If your student is an athlete and/or plans to participate in college athletics after graduation please bring this to the attention of the school counselor. Hampton City Schools, Virginia High School League, and the National Collegiate Athletic Association have specific requirements in order to be eligible to participate in these activities.

It is imperative that students and their parent/guardian monitor the number of standard and verified credits throughout the high school years. This can best be accomplished by communication with the assigned school counselor. Counselors meet annually with students to review graduation status and parents/guardians are always encouraged to attend these conferences. Parents and students can also review the student's academic and career plan in Xello Family, a Career & College Readiness tool. If you need assistance with this please contact your school counselor.

Decisions made regarding the high school experience often determine post-secondary options. We want all of our students to have a wide variety of options available to them upon their graduation from Hampton City Schools.

My best,

A handwritten signature in black ink that reads "Carla L. Mahn". The script is fluid and cursive, with the first letters of each name being capitalized and prominent.

World Language, Fine Arts or Career and Technical Education	2	0	Credits earned for this requirement shall include one credit in fine or performing arts or career and technical education. An approved <a href="#">computer science</a> course credit earned by students may be considered a career and technical course credit.
Economics & Personal Finance	1	0	N/A
Electives	4	0	Courses to satisfy this requirement shall include at least two sequential electives. More information is provided in the <a href="#">Guidance Document Governing Certain Provisions of the SOA (8VAC-20-131)</a> (Word).
Total	22	5	N/A

### Additional Requirements for Graduation

**AP, Honors, IB, Dual Enrollment, Work-Based Learning, or CTE Credential** - Students shall (i) complete an Advanced Placement, honors, International Baccalaureate, or dual enrollment course; or (ii) complete a high-quality work-based learning experience, as established by Board guidance on work-based learning; or (iii) earn a career and technical education credential approved by the board, except when a career and technical education credential in a particular subject area is not readily available or appropriate or does not adequately measure student competency, in which case the student shall receive satisfactory competency-based instruction in the subject area to satisfy the advanced studies diploma requirements. The career and technical education credential, when required, could include the successful completion of an industry certification, a state licensure examination, a national occupational competency assessment, or the Virginia workplace readiness assessment.

**Virtual Course** - Students shall successfully complete one virtual course, which may be a non-credit-bearing course or a required or elective credit-bearing course that is offered online. Guidance on this requirement is provided in the Guidance Document Governing Certain Provisions of the SOA (8VAC20-131) (Word).

**First Aid, CPR, and AED Training** - Students shall be trained in emergency first aid, cardiopulmonary resuscitation (CPR), and the use of automated external defibrillators (AED), including hands-on practice of the skills necessary to perform cardiopulmonary resuscitation. Students with an IEP or 504 Plan that documents that they cannot successfully complete this training shall be granted a waiver from this graduation requirement, as provided in 8VAC20-131-420. This link takes you out of the Virginia Department of Education website: (B). Demonstration of the 5 C's - In accordance with the Profile of a Virginia Graduate, students shall acquire and demonstrate foundational skills in Virginia's 5 C's. This link takes you out of the Virginia Department of Education website: critical thinking, creative thinking, collaboration, communication, and citizenship.

**Demonstration of the 5 C's** - In accordance with the Profile of a Virginia Graduate, students shall acquire and demonstrate foundational skills in Virginia's 5 C's. ## **ADDITIONAL DIPLOMA & CERTIFICATE OPTIONS**

### **For Students Identified as Having Disabilities**

The Applied Studies Diploma is granted when a student does not qualify for other diplomas, but does meet the requirements of the Individualized Education Plan developed for that student. Students who earn a Special Diploma may participate in commencement exercises.

### **The Certificate of Program Completion**

The Certificate of Program Completion is designed for a student who has earned all the required standard credits for graduation, but has not earned the appropriate corresponding verified credits. The student will be given the opportunity to earn verified credits in the summer and subsequent administrations of the SOL tests. If the student earns the appropriate verified credits, he/she will be considered a graduate and earn the appropriate diploma. Students awarded the Certificate of Program Completion will not participate in commencement exercises.

### **General Achievement Diploma**

Available to students 18 years or older who meet the criteria set by the Board of Education. The General Achievement Diploma is intended to provide a diploma option for high school dropouts and individuals who exit high school without a diploma. It should not be a first option for high school students.

### **General Education Development Certificates (GED)**

For eligibility information please contact the GED office, housed at The Campus @ Lee, 1646 Briarfield Rd, or contact them at 757-727-1327.

## **LOCALLY AWARDED VERIFIED CREDITS**

The Virginia Board of Education has set forth procedures and criteria for local school boards to award verified credits to students who have not met this requirement for the Standard Diploma.

Students who do not pass Standards of Learning tests for any high school course for which there is an SOL test receive locally awarded verified credit from the local school board in accordance with criteria established in guidelines adopted by the Board of Education.

### **The criterion is as follows:**

1. Students must have passed the course, must have taken the test at least twice and scored between 375-399 at least once.
2. Non IEP/504 students entering ninth grade in the 2018-2019 academic year and beyond must have earned less than one locally verified credit.

# Graduation Requirements for First-Time Transfers Into a Virginia Public High School

[Graduation requirements](#) – in compliance with [8VAC 20-131-60](#) – for a student transferring into a Virginia public school for the first time in grades 9-12, depends on the grade the student is transferring into and when in the school year the student is transferring.

A student is considered to have transferred:

- at the beginning of the school year if 20 or fewer hours of instruction have been completed.
- during the school year if more than 20 hours of instruction has been completed.

Federal law requires each student to be tested in mathematics at least once during high school, therefore some students will be required to complete a mathematics end-of-course test in high school if one was not completed prior to enrolling in a Virginia public high school.

Students entering a Virginia high school during the tenth grade or later may benefit by having to earn a reduced number of verified credits, as stated in 8VAC20-131-60.G, and summarized in the following table.

A student entering a Virginia high school for first time:	Prior to 2018-2019 school year:	2018-2019 school year:	2019-2020 school year:	2020-2021 school year:	2021-2022 school year and thereafter:
At the beginning of or during ninth grade	All requirements of <a href="#">8VAC20-131-50</a> for the <a href="#">Standard diploma</a> and <a href="#">Advanced Studies diploma</a> . ## DIPLOMA SEAL

Students meeting specific requirements for graduation and demonstrating exemplary performance may receive diploma seals for recognition. VDOE makes available to local school divisions the following seals:

**Governor's Seal** – Awarded to students who complete the requirements for an Advanced Studies Diploma with an average grade of "B" or better, and successfully complete college-level coursework that will earn the student at least nine transferable college credits in Advanced Placement (AP), International Baccalaureate (IB), or dual enrollment courses.

**Board of Education Seal** – Awarded to students who complete the requirements for a Standard Diploma or Advanced Studies Diploma with an average grade of "A" beginning with the ninth-grade class of 2006–2007 and beyond.

**Board of Education's Seal for Science, Technology, Engineering and Mathematics (STEM)** shall be awarded to students who earn either a Standard Diploma or an Advanced Studies Diploma and satisfy all math and science requirements for the Advanced Studies diploma with a "B" average or better in all course work

- AND successfully complete a 50 hour or more work-based learning opportunity in a STEM area
- AND satisfy all requirements for a Career and Technical Education concentration
- AND pass one of the following: (a) a Board of Education CTE STEM-H credential examination, or (b) an examination approved by the Board that confers a college-level credit in a STEM field.
- This seal is available to graduating seniors in the 2019 graduation cohort and beyond.

**Board of Education's Career & Technical Education Seal** – Awarded to students who:

- earn a Standard or Advanced Studies Diploma and complete a prescribed sequence of courses in a career and technical education concentration or specialization that they choose and maintain a "B" or better average in those courses
- OR pass an examination or an occupational competency assessment in a career and technical education concentration or specialization that confers certification or occupational competency credential from a recognized industry, trade or professional association
- OR acquire a professional license in that career and technical education field from the Commonwealth of Virginia.

The Board of Education shall approve all professional licenses and examinations used to satisfy these requirements.

**Board of Education's Excellence in Civics Education Seal** – Awarded to students who meet each of the following four criteria:

- Satisfy the requirement to earn a Modified Standard Diploma, a Standard Diploma or an Advanced Studies Diploma
- Complete Virginia & United States History and Virginia & United States Government courses with a grade of "B" or higher
- Complete 50 hours of voluntary participation in community service or extracurricular activities, such as volunteering for a charitable or religious organization that provides services to the poor, sick or less fortunate; participating in Boy Scouts, Girl Scouts or similar youth organizations; participating in Junior Reserve Officer Training Corps (JROTC); participating in political campaigns, government internships, Boys State, Girls State or Model General Assembly; and participating in school-sponsored extracurricular activities that have a civics focus. Any student who enlists in the United States military prior to graduation will be deemed to have met this community service requirement.
- Have good attendance and no disciplinary infractions as determined by local school board policies.

**The Board of Education's Seal of Biliteracy** shall be awarded to students who earn a Board of Education-approved diploma and:

- pass all required End-of-Course Assessments in English reading and writing at the proficient or higher level; and
- are proficient at the intermediate-mid level or higher in one or more languages other than English, as demonstrated through an assessment from a list to be approved by the Superintendent of Public Instruction
- American Sign Language qualifies as a language other than English.

**Board of Education's Seal for Excellence in Science and the Environment** shall be awarded to students who earn either a Standard Diploma or Advanced Studies Diploma

- AND complete at least three different first-level board-approved laboratory science courses and at least one rigorous advanced-level or postsecondary-level laboratory science course, each with a grade of "B" or higher
- AND complete laboratory or field-science research and present that research in a formal, juried setting
- AND complete at least 50 hours of voluntary participation in community service or extracurricular activities that involve the application of science such as environmental monitoring, protection, management, or restoration.
- This seal is available to students who entered the ninth grade for the first time in the 2018–2019 school year and thereafter.

## PROMOTION REQUIREMENTS: STANDARD & ADVANCED STUDIES DIPLOMAS

### From Grade 9 to 10

English  
Additional Core Class\*  
Other

### 5 Standard Credits

1 credit  
1 credit  
3 credits

### From Grade 10 to 11

English
