---

In accordance with the Code of Virginia Section 22.1-274, I agree to the following:

I will not hold the school board or any of its employees liable for any negative outcome resulting from the self-administration of said emergency medication by the student.

I understand that the school, after consultation with the parent(s) may impose reasonable limitations or restrictions upon a student's possession and/or self-administration of said emergency medication relative to the age and maturity of the student or other relevant consideration.

I understand that the school may withdraw permission to possess and self-administer the said emergency medication at any point during the school year if it is determined the student has abused the privilege of possession and self-administration or that the student is not safely and effectively self-administering the medication.
