

During times of potential health risk or modified access, it is important **students DO NOT enter into any HCS building if they are ill**. Please review the following medical issues. If your student answers yes to any of these symptoms, **you should keep your student home!**

If the student has/answers NO to <u>all</u> questions, he/she <u>may</u> come to school.		
If the student has/answers YES to <u>any</u> questions, he/she may <u>NOT</u> come to school. We require the student to remain home and the parent/guardian contact the school nurse to get further advice . We recommend talking with your student’s medical provider for further guidance, especially if they have several symptoms or are getting worse.
