

CPR/AED Training Payroll Deduction Agreement

Effective as of August 1, 2021, the CPR/AED training cost will be increased from \$32.50 to \$35.00 for all Hampton City Schools employees. All fees will automatically be deducted from your next available paycheck. The deduction will show as “CPR Training” on your paycheck.

Due to limited seating, if you need to **cancel/reschedule**, we request a **48-hour** notification via email to Kelly Boze, at kboze@hampton.k12.va.us. If you **do not cancel prior to the 48 hours**, you will be charged for the class.
